5 June 2026

Dear Parents/Carers

Friday 12 June

As previously stated, we will give back time where we can, so on Friday 12 June we will allow year 11 students to leave after Chemistry Paper 2 at 12.30pm. Please fill in the Microsoft form (link at the bottom of the page) to give permission for your child to leave school site early.

Transport will not be available so please arrange for your child to get home. If they wish to stay, they may use the iStudy until the end of the day.

Monday 15 June

Firstly, many thanks for all the super cute (and sometimes a bit cringe) photos for the leaver's assembly! I have finalised the details with the SLT and want to inform you of the running order:

8:40am – 9am	Physics Booster
9am – 11am	Physics exam – WHOLE COHORT IN
11:10am – 11:30am	Break time on the field (or the hall if raining), opportunity to sign shirts etc.
11:3am – 12:15am	Leaving assembly for students and staff in the main hall. And more shirt signing!
12:15am – 12:30am	Leavers parade!
12:30am	Early finish for year 11 - those wishing to stay to the end of the day can use the iStudy

I am aware some of you would like to be involved - unfortunately we will not be able to accommodate parents in the hall due to numbers but would love to see you in the "parade". This is a new idea to send them off with a bang - the whole school will come out to say goodbye, along with some extra pomp and circumstance!

Parents will be invited to attend near the music block gate from 12pm. Please **do not attempt to park on site or block the roads** - please use public transport or park away and walk in - this is for the safety of all.

You are welcome to take your child home after the parade, please provide permission for them to leave at 12:30pm using the link [here](#).

If you have any questions or concerns, please do let me know. Please remember Spanish students will have exams on Tuesday and Wednesday so will need to be in at 8:40am on both days for their booster session.

Yours faithfully

Mr A Saberton
Head of Year 11
