Dear Parent/Carer

GCSE Revision Dates and Times

In the run up to the GCSE exams we are providing extra revision support sessions over Easter. These are a great opportunity for your child to get help with exam preparation. If you would like your child to attend these sessions, please sign them up to each session via ParentPay [here](#), by Wednesday 1 April. Please note, if they are attending more than one session, **you will need to sign them up to each separate session on ParentPay**. Students are welcome to attend as many sessions as they wish. Once signed up, they will be expected to attend. If not enough students sign up, unfortunately the session would have to be cancelled.

Please ensure they bring lunch/snacks with them and a drink, as they will not be permitted to leave site, and that you have transport arranged as it is not provided. Please also ensure they bring any revision guides with them to the session.

Students should continue to revise over the Easter break, using the revision planning tools and techniques we have provided to them. We will be sending out a copy of the parent support information that was shared during last Thursday's Parent Support Evening by email very soon.

It is essential that both you and your child feel fully supported over this crucial time, your child has the potential to achieve amazing things in their summer exams. With consistent effort, the right resources, and a solid support system, they can feel inspired and prepared for a bright future.

Please do not hesitate to email me on asaberton@looea.net if you have any issues or queries.

Yours sincerely
