Dear Parent/Carer

We are pleased to share with you a new school initiative designed to celebrate and encourage improved attendance among our students. Good attendance plays a vital role in academic progress, wellbeing and building positive habits for the future. To recognise the efforts our students are making, we will be holding a special celebration event on **Friday 12 December**.

Students who have **moved up an attendance band** this year, as well as those who are already in the **Golden Attendance Band**, will be invited to take part in this reward event.

Improving attendance by moving up a band – Rewards and celebration to everyone in the +1 club or in the Golden Band

To ensure the celebration is enjoyable for everyone, students will be able to choose from two activity options.

1. **Silent Disco in the Main Hall** – A fun and lively experience with a choice of music channels.
2. **Chill-Out Room** – A relaxed space where students can watch a Christmas film or play games such as Uno, Jenga and other board games.

In addition, a small number of selected students who receive support in school from **Mrs Gardner and the SENCO team** will be invited to attend a **bespoke celebration event on Thursday 11 December**. This event will offer the same activity options but will take place in a more personalised and familiar space to ensure students feel comfortable and fully able to enjoy the experience.

This initiative is part of our ongoing commitment to support and motivate students to achieve strong attendance, and we are delighted to celebrate their hard work and progress.

Thank you for your continued support with improving attendance. If you have any questions, please do not hesitate to contact the school.

Yours sincerely

Ed Gilbert
