

BGG EXTRA

Be the best you can be

Autumn 2026

Putting the **EXTRA** in extracurricular

BGG Extra

Extracurricular activities boost young people's confidence to interact socially with others, extend their social networks and provide them with new skills and abilities. Above all, they offer an important space to have fun and relax away from the pressures of schoolwork.

We know every student has different interests and strengths, so at Looe Community Academy we provide opportunities for our students to take part in a range of extracurricular clubs and activities every week, both at lunch time and after school. We want our students to develop new skills, make new friends and enjoy new experiences.

Skills Development

We promote the development of the 8 essential skills in all aspects of academy life. Each club help the development of these skills and opportunities to use them to the best of our students' abilities. These skills can be used both inside and outside the classroom and our extracurricular programme is no exception.

BGG Extra offer

Our clubs are divided into 3 categories to help our students choose the best opportunity for them. Sports, wellbeing and academic clubs provide a wide range of competitive, recreational and academic support for all interests and skills as well as building on our school values- Responsibility, Resilience and Respect. Students can sign up to any clubs they wish to attend using the sign-up link which can be found on Satchel:One.
